Sierra Roots is committed to collaborating with chronically homeless individuals to help them make progress in their health, self reliance and action plans to obtain secure and safe homes. We employ a relationship-based approach that identifies individual needs and preserves the dignity of each person.

First Program Service Accomplishments Description

Description

articles and op-eds in the local paper to increase awareness of local homeless issues, and also publicized these issues in social media (Facebook) and on our web page. We have involved singer-songwriters who created an album about homelessness issues which we posted to YouTube. We have identified key areas requiring action from the Nevada County Board of Supervisors and have gained major public support. For example, Nevada County decided to consider RV's and trailers as legal dwelling units.

Second Program Service Accomplishments Description

Description

in Nevada City as a temporary shelter venue during extreme weather events. The shelter was open for 11 days in 2024.

Other Program Service Accomplishments

Description	Grants And Allocations	Includes Foreign Grants	Program Service Expenses
Provide food, clothing and supplies to the homeless of Western Nevada County: We provided weekly hot meals for homeless participants, using volunteers, totaling 1030 meals in 2024. The meals also provided a place to give away clothes, shoes and essential items to participants. This program allows us to cultivate relationships with homeless participants in order to engage them in our advocacy programs, and connect them to needed public services. Most participants in this program are chronically homeless, often living in tents in the woods and in other secluded areas.	3,739		1,625
